Foreman Killed In First Fatal Squaw Building Accident

Father Of Three Dies When Struck On Head By Big Iron Ball

James Mark Stephens, 38, a carpenter foreman employed by the Diversified Builders at Squaw Valley was instantly killed at 3:45 p.m. Wednesday while working on one of the structures for the 1960 Winter Olympic Games.

Stephens was descending from a building in a bosen's chair when a cable snapped behind him and a huge iron ball struck him on the back of his head.

The victim of the tragic mishap had been living at Squaw Valley since May with his wife, Marcelle and their three children. His parents, Mr. and Mrs. James T. Stephens of Washington were expected to arrive today to make the funeral arrangements. The body was taken to the Truckee Colonial Mortuary.

The death Stephens marked the first fatal accident at the big construction project.

School Band Will Play At Berkeley

The Tahoe Truckee High School band will travel to the University of California at Berkeley on Saturday, October 25 to represent the community at the annual high school band day.

The musical troup will leave from the local campus at 4 a.m. in order to arrive in Berkeley before noon to rehearse with approximately 200 other high school bands coming from northern and central California. The bands will perform in a half-time extravaganza under the direction of Ralph Berdahl, director of bands at the university.

The local musicians will enjoy a fine ball game between the University of Oregon and California before and after the performance.

The band will return to Truckee between midnight and 1 a.m., according to Director Ross Price.

CHAMBER TO MEET AT SMART'S FRIDAY

A noon luncheon of the Truckee Chamber of Commerce will be held at Smart's tomorrow, N. F. Dolley, president announced. A discussion on the proposed parking lot, the recreational park area and the possibilities of a brief ceremony with the turning on of the new street lights, will highlight the meet and all members are asked to attend.

TWO NAMES ADDED TO 'COUNCIL' LIST

Names of two prominent Truckee citizens and businessmen who have agreed to permit their names to be included on the ballots for councilmen if an election is called to determine whether Truckee shall be incorporated were omitted from a list recently submitted by the Truckee Chamber of Commerce.

They are A. Pace and Wayne Philippi. N. F. Dolley, chamber president, said the names were inadvertently omitted when those of 11 other Truckee businessmen and women were announced.

CONSTRUCTION MAN EXPIRES IN TRUCKEE

Edward LeRoy Flaherty, 56, who had been employed here by the Frederickson and Watson Company, expired following a week's illness Sunday. The body was shipped to Hollywood by the Truckee Colonial Mortuary. Flaherty leaves his wife, Mary, of Sacramento. He was a native of Nebraska, born October 15, 1904.

HUNTING SEASON TO END ON SATURDAY

One of the most successsful deer hunting seasons for many years ends Saturday in this district. Nimrods, for the most part, report excellent hunting with good results. However, many of the experienced local hunters are still without their buck despite the ideal conditions.

The fishing season, which hasn't been up to par due perhaps to the vast construction programs going on the area and subsequeunt dirty streams ends on October 31. Back country fishing has been excellent.

PTA PLANS BENEFIT DINNER NOVEMBER 13

The Tahoe-Truckee High School PTA is preparing for a benefit dinner to be held at the high school on November 13 for the purpose of raising funds to finance scholarships for deserving students.

Mrs. Maggie McMahon of Tahoe Pines, who made the announcement, said the PTA is particularly honoring the varsity football boys at the dinner which will feature roast beef. Further details will be announced later, but everyone is reminded to reserve November 13 for the event.

Wolverines Lose In Quincy Game; To Play Lovelock Fri.

by JOHN FIRPO

The Quincy High School Trojans of the Feather River League last Friday played the role of giant killer by topping the visiting Tahoe-Truckee Wolverines, 12-7. It was the second loss for the Wolverines in six starts, with three games remaining on their slate, all away.

Truckee hit early; after taking the opening kickoff they marched to their own 12 where on first down Craig Robinson passed to favorite Steve Cowan for a 58-yard pass play for a touchdown. Robinson faked to kick for the conversion and passed to fullback Buzz Trainor.

Quicy bounced right back in the second quarter with the help of a 15-yard penalty against the Wolverines and a 18-yard run which put the ball on the Wolverine one. Two plays later quarterback Harold Tweedle plunged over for the first Quincy TD. The extra point attempt was stopped cold on a run play and TnT retained a slim 7-6 lead at the half.

In the second half of play Quincy took the ball and marched to the Mountain Men's 25. Then or a quarterback option Harold Tweedle went around right end for the second Trojan score. The home team again chose to run for the P.A.T. and again were stopped short of the goal. This gave the home team a 12-7 advantage.

The last quarter was all Truckee

Last Steam Engine On Its Final Trip

The steam locomotive's mournful wail was silenced on Southern Pacific lines last weekend.

Last of the railroad's steam locomotives was sidetracked Sunday, and thus ended a 103-year era which saw the iron horse open up the American west.

Actually, three locomotives observed the ending of SP's age of steam at a brief ceremony in Sacramento, birthplace of the railroad and of western railroading.

But only one was under steam. Locomotive 4460, a silver-nosed engine of the kind that used to pull SP's "Daylights," was the last active steamer on the railroad. It pulled a special train, carrying 500 railfans and historians, from Oakland to Reno and return over the weekend, on a nostalgic last run.

A bigger sister, Locomotive 4294, was the honored guest of the Sacramento ceremony, however. Last steam locomotive put into service by SP (in 1944) and last of the famous "cab ahead" Mallets which were the most powerful steam engines on SP lines, 4294 is being placed on permanent display in Railroad Park, in front of the Sacramento SP station.

Alongside 4294 is Southern Pacific's tiny locomotive No. 1, the "C. P. Huntington," an 1863 woodburner which helped haul rails for initial stages of the first transcontinental railroad and has resided in

NEW WATER TANK IS COMPLETED BY TPUD

Completion or the new 20,000-gallon redwood water storage tank on the hillside south of Truckee at the site of the old Truckee Water Company's spring, gives the Truckee Public Utility District a total storage capacity of 450,000 gallons, Office Manager Daven Morey this week announced.

The new tank replaces the ancient one which has reached the end of its usefulness, but which has been a landmark for many years.

YOUTH JAILED FOR THEFT AT STATION

Benjamin Watson, 20, Texas, who had been employed at Hellar's Union Station here, was sentenced to serve 30 days in jail following his conviction on a petty theft charge before Judge F. W. Wilson Tuesday.

Watson said he paid two boys to watch the station for him while he took a nap. Later $65 was missing from the cash register and Watson claimed it was taken by the helpers he had employed.

Judge Wilson said the defendant's attitude before the court was far from cooperative and when he pleaded guilty the judge issued the stiff sentence.

Hospital Report Is Issued; Gains In Income Are Shown

Increase Reflects Credit On Operation Of Local Institution

Despite rising costs of operation, the Tahoe Forest Hospital during the year ended June 30, 1958, showed a marked increase in revenue, according to the annual report submitted to the board of directors by Harry M. Straine & Sons, certified public accountants.

A complete statement of the financial position of the hospital may be found on another page of this newspaper today.

The report lists the total assets of the hospital at $445,636.01, which includes the land and improvements, buildings, fixed assets and equipment. Total current assets, including acounts receivable, inventory, cash in bank and cash on hand totals $86,717.35.

The income from hospital operation for the year was $190,929.86, while lesser sums in donations and miscellaneous income brought the total of $191,413.60.

From this total expenses were 203,653.37, a deficit of $12,239.77, which is more than offset by taxes totaling $42,547.17 for the year. Sale of land brought an additional $2695, the report shows.

Expenses included operating expense of $33,740.10, administrative and general $19,664.78; dietary, $20,774.13; medical and surgical $53,468.76; x-ray, $24,880.50 and lesser amounts.

The report was most complimentary of the administration and operation of the hospital and reflected credit upon the administrator, John J. McGlade and the governing board.

One change in the operation of the hospital was suggested. That was the installation of an accounts receivable bookkeeper to handle such items as insurance claims, prepare statements and accounts and similar matters which have heretofore been handled by the cashier-receptionist and general bookkeeper. Growth of the hospital has created a need for such an addition, the report shows.

PINE CONES WILL BE GIVEN TO HOSPITALS

TAHOE CITY—A call has gone out by the Red Cross at Tahoe City for pine cones to be used by the therapy department of DeWitt Hospital and for Travis Air Force Base to be used as Christmas decorations.

Mrs. Marie Henry said those wishing to leave cones at Tahoe City garage may do so or they may be taken directly to DeWitt Hospital. The first boxes were gathered by Mrs. Raymond Moe and children, including son, Jack Burger, home on leave from the USS Sperry. Supervisor L. L. Anderson took the first load to Auburn headquarters of the Red Cross for distribution.

SOCIAL AFFAIR WILL BE HELD BY REBEKAHS

The Naomi Rebekah Lodge No. 2 will hold an evening of social bingo, Friday, October 24 at 8 p.m. in the I.O.O.F. Lodge hall. The public is invited to attend. There will be gifts of groceries and merchandise. You do not need to be present to win the 20-pound turkey and trimmings. Tickets may be obtained at the door or through members of the lodge.

LINDSAY'S BARN LOST IN LOOMIS BLAZE

Assemblyman Francis Lindsay of Loomis lost a barn and contents estimated at 8000 in a forenoon fire last week, one half mile northeast of Loomis. The fire started at 10 a.m. in an adjoining property as a control weeds and grass fire. It went out of limits and broke through to the Lindsay ranch. Loomis and CDF firemen prevented the flames from reaching the Lindsay home.

Two Are Jailed

Claude Diddington and Tom Addington of the bay area were released on $50 bail folowing their appearance before Judge F. W. Wilson on a charge of being drunk in and about an automobile. They were arrested by State Patrolman Comola.

SUN ADS GET RESULTS

SUNBEAMS

By WALTER M. BARRETT

This newspaper, not being in the political business beyond where it affects local issues and conditions, is not advising its readers how to vote. We believe those who will go to the polls November 4 are pretty well convinced of how they will mark their ballots, but we would like to point out a good reason why two or three incumbents should be kept in office. If State Senator Harold Johnson is elected to the house of representatives, Francis Lindsay of Loomis should be retained in the state assembly. He has had years of experience and is active on many committees directly affecting this community. He has supported and sponsored legislation for the Olympic Games, fish and game as well as highway measures, all vastly important to us. A "freshman" could not be expected to fill this important role immediately. Presently, Lindsay is working on a program assuring a year-round highway on the west side of Lake Tahoe, a program of vital importance to the entire community. Another local need, we feel, is Governor Goodwin Knight in the U. S. Senate. The governor is conversant with our local problems, especially the Olympic, highways and water problems. He has proven this in past years and we need him in the future, if our present progressive trend is to continue uninterrupted. We have other favorites, of course, such as Ronald Button for state treasurer, Robert Kirkwood as controller and Pat Hillings as attorney general, but these are purely our choice and we ask only in their behalf that you study their records and vote as you please.

RED CROSS COURSE WILL BE PROVIDED

Mrs. Marie Henry of Tahoe City is planning another American Red Cross first aid class for either standard or advanced students, providing sufficient interest is shown. Those interested are asked to contact Mrs. Henry at Tahoe City, JU 3-3447. A decision will be made immediately and announcement of the dates made in next week's Sierra Sun.

At the same time Mrs. Henry announced that the Red Cross will need 26 volunteers for the Winter Olympic Games. They will include nurses aides, first aid people, ambulance drivers and staff assistants.

Duties will be from minor mishap treatments to locating parents of lost children. The need is not for Grey Ladies as previously announced.

MRS. NIX FETED AT FAREWELL AFFAIR

A farewell party was given for Mrs. Alvin Nix last Wednesday by members of the Friday Evening Card Club, when a potluck supper preceded the games and visiting during the pleasant affair.

Those attending were Mesdames Kenneth Hedlund, Lee Apple, J. Vind, Jack Ellis, Stan Drakulich, Edward Frates.

Mr. and Mrs. Nix left Friday to make their home at Nevada City where he has been transferred by the California Division of Highways.

Callers Here—

Callers at the home of Mr. and Mrs. Oscar Schumacher this week were Mr. and Mrs. J. Burmiester of Santa Cruz, Mr. and Mrs. B. Perry of Oakland and Colin Campbell of Hayward.

At Dutch Flat—

Mrs. Dunton and her brother, Jack Waggoner of Donner Lake are residing at Dutch Flat.

Grow In Germany—

Tom Grow, son of Mr. and Mrs. Leslie Grow, has arrived in Heidelberg, Germany in the U. S. Army.

Paces In City—

Mr. and Mrs. Tony Pace returned last week from San Francisco where they visited their daughter, Miss Sharon Pace.

Mrs. Oliver Visits—

Mrs. Harry Oliver, accompanied by her son, Lloyd Gotthold of Sacramento, visited local friends last Friday, the latter is a native of Truckee.

Lindsay Will Ask For Building Of Emerald Crossing

Legislator Says Drive Will Not Stop To Provide Highway

Assemblyman Francis C. Lindsay today reiterated his position as being completely and wholly in favor of a low level crossing over Emerald Bay to ensure an all-year highway around the southwestern portion of Lake Tahoe.

Lindsay pointed out that he had joined with both Senator Berry and Senator Johnson in sponsoring legislation for the construction of a bridge and a relocation of the state highway to accomplish an all-year road completely around Lake Tahoe, but that the interests outside of the particular district were able to persuade the legislative committees to kill the bills.

Lindsay listed the Sierra Club, the state park commission and the division of beaches and parks, as being the main opponents to this much needed improvement in the highway situation around Lake Tahoe.

Lindsay further stated that, while it was quite true that a few of the property owners had objected, that they were in the vast minority, and that the majority of propery owners of both private holdings and resort holdings were completely in favor of the low level cross-

Hillings Says U.S. Will Aid Olympics

Congressman Pat Hillings of California has predicted that congress will approve additional funds next year to insure the success of the 1960 Winter Olympic Games in Placer County's Squaw Valley.

Hillings based his prediction on the requirements now being compiled by the organizing committee for the Squaw Valley Olympics and the defense department.

A native of Nevada County, Hillings has an intense interest in helping to insure the success of the forthcoming Winter Olympic games.

Hillings, who is a candidate for attorney general of California, said that besides being a showcase for good international relations, the 1960 Winter Olympics will open a vast, magnificent area of California to the world as the finest year-round recreational site in the United States.

Progress Report

Meantime, Hillings received this progress report from the defense department on army-navy-air force participation in support of the organizing committee for the Winter Olympics:

(1) The navy has shipped five 20 by 48 quonset buildings to Squaw Valley for varied use.

(2) The signal officer, Sixth U. S. Army, has completed an engineering survey of communications requirements for the games.

(3) The secretary of the air force has approved use of helicopters at Stead Air Force Base for movement of demountable buildings to the peaks.

(4) The army has received a list of priorities from the executive director of the organizing committee VIII Olympic Winter Games.

The defense department also advised Congressman Hillings that the army and navy now are working cost estimates to determine the maximum amount of support that can be provided within the current $500,000 limitation on federal expenditures for the games.

HIGHWAY ACCIDENT RESULTS IN CHARGES

Simon N. Diaz, 57, of P.O. Box 117, Norden, must appear in superior court November 7 to answer a manslaughter charge arising from a Highway 40 auto accident in which his brother, Roberto, was killed.

Diaz, who was released from Nevada County Hospital October 3 to face the charge, was bound over to the superior court after a preliminary hearing in Truckee Judicial Court before Judge Fosten Wilson.

The case for the state was handled by District Attorney Harold Berliner.

Diaz who is in custody in the county jail pending the posting of $5000 bail set by Wilson, was reportedly drinking before the accident that claimed his brother's life.

Search For Donner Camp Site Is Told By Bert H. Olson

Bert H. Olson, a past sheriff of the Los Angeles Corral of The Westerners, a historical organization primarily interested in the pioneer days of California, has prepared an article entitled "The Search for the Donner Family Camp Site" which the Sierra Sun is publishing beginning with the current issue.

Olson is no stranger in this area and for many years has spent his summer vacations with his family at Lake Tahoe while he retraced the old Donner Party trail.

He has written many articles on his findings after exhaustive study and research and collaborating with other historians.

The following article deals primarily with the site of the George Donner family on Alder Creek, a short distance north of Truckee where, despite continuing search, historians and writers are still unable to determine the exact location of the camp.

Years of research by the late P. M. Weddell of San Jose, who annually spent his summers here remarking the old trail, are given due credit by Olson.

The Olson article, which will appear in forthcoming issues of the Sierra Sun follows:

by BERT H. OLSON

It was late summer in 1879. A party of horsemen stopped on a wooded ridge overlooking the valley to rest their mounts. They had been traveling East from Donner Lake over the heavily timbered hills to visit and trace the old original trail of the Donner Party. The leader of the group was Nicholas Clarke, member of one of the relief parties sent out from Sutters Fort in 1847 to rescue survivors of the ill fated party.

Here at this spot the Donner families had been forced to make camp as further travel was impossible due to the early fall of snow in the Sierras. Nicholas Clarke had spent three weeks in this valley at the Donner family camp and now 32 years later he led his companions down into the sheltered meadow at its head and pointed out to them the exact location of the hastily built brush and canvas shelters which the Donner families had erected in early November 1846. Of course at this late

LUNARDI TO SPEAK AT BREAKFAST SUN.

Charles R. Heller, member of the Nevada County Democratic Central Committee, this week announced that Paul Lunardi, candidate for the post of assemblyman from this district will address a meeting of local democratic supporters at a breakfast at Smart's Sunday morning at 10 o'clock.

Last minute instruction to campaign workers and a discussion of issues is expected to feature the meeting. Lunardi is from Roseville.

SCHOOLEY FAMILY TO FETE SPECIAL DATES

Three events in close succession are the incentive for the Robert Schooley family to celebrate with a trip to Carson City and Virginia City, where the family enjoyed the outing and special dinner party.

Stephen, son of Mr. and Mrs. Schooley will celebrate his 9th birth date tomorrow and his parents will observe their wedding date on November 3.

They will be accompanied on the trip by Mr. and Mrs. J. F. Palko, of the bay district, parents of Mrs. Schooley who also observed their 45th wedding anniversary October 8.

Cub Scouts To Meet

A Cub Scout Pack meeting will be held in the high school building Tuesday, October 28 at 7:30 p.m.

All interested families and eligible Scouts are invited to attend the session.

GIRL SCOUTS HOLD REGULAR MEETING

Girl Scouts of Troop 132 met Tuesday at the Veterans' Memorial hall for a regular session with Mrs. Robert Leamon and Mrs. James Walker in charge.

Ann Morey taught the group a dance "Sissy in the Barn" during the program period. During the study period, there was a review on marking a following trails.

Kirkwood Speaks At Banquet For County Officials

More Than 100 Here For Regional Meeting Of Officials

State Controller Robert Kirkwood last night addressed the convention of northern California auditors and tax collectors at a banquet held at Donner Lake Lodge. The two-day conclave was scheduled to conclude today.

More than 100 delegates and their guests attended the two-day session and enjoyed the program.

At the banquet, Kirkwood spoke of the fine cooperation his office has enjoyed from the county officials over the past six years. He was introduced by Milton Possons, master of ceremonies, from the controller's office at Sacramento. Mosco Smart represented the board of supervisors at the banquet, Chair man H. G. Loehr, who made the welcoming address Wednesday being unable to attend.

Discussion of affairs of mutual concern and interest featured the sessions yesterday and today and this afternoon the group was scheduled to take a tour of Squaw Valley, site for the Winter Olympic Games in 1960, and North Tahoe. The Truckee Chamber of Commerce, under the direction of President N. F. Dolley arranged the conducted tour, which included a visit to Crystal Bay Club at Lake Tahoe.

The convention was arranged by County Clerk John T. Trauner and County Treasurer Elma Hecker.

Courtesy School Opens November 3

Regardless of the many millions of dollars which will be spent to stage the 1960 Olympic Winter Games and the 1959 North American ski championships at Squaw Valley, the impression which the individual visitor to the events takes away with him may depend largely on the treatment he has received while he is in our area.

This was pointed out this week by Roy Mikkelsen, chairman of the Winter Olympic Committee of the Placer County Chamber of Commerce and member of the organizing committee for the 1960 Olympic Winter Games, as he urged residents of Placer County and the Truckee area to attend one of the three "Tourist Courtesy Schools" to be held in the coming weeks. He further pointed out that these events will bring many thousands of people to our communities who might otherwise never have visited this part of the country, and it is the opportunity of a lifetime to publicize the many advantages of our area.

The first of these schools which will serve the Penyrn, Newcastle, Colfax, Foresthill and Auburn areas wil be held in Auburn, October 27 through October 30 from 7:30 p.m. to 10 p.m. at Sierra College. This will be followed by a school for the Tahoe-Truckee area at Crystal Bay, Lake Tahoe, November 3rd through November 6th; and one for the Roseville, Lincoln, Rocklin and Loomis areas at the Roseville High School November 17th through November 20th.

The schools are under the sponsorship of the Placer County Chamber of Commerce and Sierra College with committees from each of the local chambers of commerce assisting in the program. These schools are offered as a free public service.

LOS ANGELES MAN SUCCUMBS HERE

The body of Homer Wintz, 54, who expired at a Donner Lake resort October 15, has been shipped to Chatworth, Los Angeles County, for funeral service by the Truckee Colonial Mortuary. Wintz is survived by his wife, Lucy, and son, who resides in Modesto. He apparently suffered a heart attack.

TWO JUVENILES ARE HELD FOR ROBBERY

Two Truckee juveniles have been certified to the juvenile court for alleged participation in a burglary that sent the father of one to the county jail for six months.

David Othel Frey, 17, and Joseph L. Case, 16, are accused of breaking into two house trailers in the Sage Hen Creek area east of Truckee and making off with possibly $1000 in household good and tools.

James Case, 37, is now in jail on conviction of disposing of the articles allegedly stolen by his son and Frey. Deputies said most of the items were located in Sacramento pawn shops.

Jail Sentence

Lynn Bradley of Tahoe City, charged with two local juveniles with burglarizing the Truckee Coca-Cola plant several months ago, was sentenced to 60 days in jail following his appearance before Judge F. W. Wilson in the Truckee Judicial District Court. The two juveniles were certified to the juvenile court.

ROBBERY OF PLANT SOLVED BY OFFICERS

After three months of investigation, sheriff's deputies have come up with the solution of the burglary of the Truckee Coca-Cola plant on July 10. Deputy Emery Lander said he has filed a complaint charging Lynn Bradley, 19, of Tahoe City and two Truckee juveniles, aged 16 and 17 with forcing the lock on the front door of the plant and taking $10 in cash and several bottles of beverages.

Lander said Bradley and the other boys have admitted the charge. The former was arraigned before Justice of the Peace F. W. Wilson Friday and the two juveniles were remanded to the juvenile court.

TAHOE LEADING IN PLACER'S BUILDING

SACRAMENTO—California motorists' chances of remaining alive are closely related to the number of man hours the California Highway Patrol is able to devote to enforcement duty, CHP Commissioner Bernard R. Caldwell declared today.

"Our records since 1951 show a steady reduction in fatalities per thousand enforcement hours as the total number of enforcement hours has increased," Caldwell continued. "The fatality rate on highways patrolled by state traffic officers is now 0.75 per 1000 enforcement hours, compared to 1.28 in 1951.

"This is progress, but the record could be even better if we were not spread so thin. With our present manpower, we have what amounts to one traffic officer to patrol a total of 170 miles of highway each day. Of course, we concentrate our forces in the more populous areas to take care of the greatest need, but in doing so, we are forced to give less attention than we would like to areas which deserve greater protection, often to the point where it may appear we are not patroling the area at all.

"We have about reached the maximum possible advantage which can be obtained from our present traffic officer strength," Caldwell concluded.

TWO CREWS WORKING ON HIGHWAY 40 SLIDE

A division of highways spokesman said today that maintenance forces are working two eight-hour shifts, seven days a week on a slide near Baxter on Highway U. S. 40. Traffic is being handled on a one-way basis at this point under the control of flagmen. The slide area is approximately 800 feet long.

Highway officials stated the orginal slide occurred this spring and the material in the hillside is beginning to move again. A contract was recently awarded to flatten the slopes in the area and to remove material from the top of the slide. It is expected the reduced weight on the top and the flatter slopes will stop the slide activity.

The maintenance forces are being directed by Maintenance Superintendent F. W. Fox.

TRUCKEE FAILS TO SHARE IN TAX SPLIT

The state board of equalization recently announced distribution of $41,108,470 to the 48 counties in California which have adopted local sales tax ordinances.

The combined revenue to Nevada County totaled $56,235, the board said.

The breakdown of revenue in Nevada County showed Grass Valley received $16,473, Nevada City $4934 and the unincorporated area $34,828.

Truckee being unincorporated, does not share in the split.

SCHOOL TO COMPILE LIST OF TEACHERS

Tahoe-Truckee High School is eager to compile a list of men and women who are interested in substitute teaching. This is an important service to the school and to the community and insures smooth functioning of the school during times of illness among faculty members, Principal C. W. Sciutto declared.

Recognizing the importance of the service, the board of education raised the rate of pay to $20 per day, which took effect last school year.

"If you feel that you can be of help to the school as a substitute please call LUther 7-3574 or write to C. W. Sciutto, Tahoe-Truckee High School, P.O. Box 1328, Truckee," Sciutto said.

Birthdates

The October birth date of Susie Olano was celebrated last week when her mother, Mrs. Charles Olano, entertained several school friends with games and refreshments.

Another little girl was Debbie who was feted by her parents, Mr. and Mrs. Walter Jellin on her birth day aniversary. A decorated cake and presents made a happy day.

Off Ship—
James Bowden, a former Tahoe-Truckee High School student who has been on a U. S. Navy ship has returned to Sacramento, where he is now employed as a civilian.

FATHER OF TAHOE RESIDENT EXPIRES

TAHOE CITY—Funeral services were held this week at Auburn for William B. Larner, 71, well known contractor.

He is survived by his wife, Amonda of Auburn and 11 children, including George Larner of Tahoe City and 23 grandchildren.

Larner, a native of Auburn, was very active in community life in Placer County.

DONNER SUMMIT NEWS

by DONNA I. POWER

Kingvale Robbery . . .

Wofford's Motel at Kingvale reports unusual excitement Tuesday, October 14. At approximately 1:45 a.m. a man was discovered attempting to enter Wofford's downstairs bar. The culprit broke a window through which he entered the premises. The noise created by the breaking glass aroused "Smokey" McDaniels, chef in the upstairs coffee shop and James Cross, part owner of the property. Shots were fired, but the intended thief was able to evade pursuers, and escaped uninjured. The incident has been reported to the local sheriff's office and the state highway patrol. As yet there have been no suspects apprehended.

Sugar Bowl . . .

The Sugar Bowl ski resort has announced its opening date for this year's winter sports season as Friday, December 12. The ski school this year will be under the able direction of Junior Bounous, recently employed by the Sugar Bowl. Junior is formally of Alta, Utah, where he has been for many years a top man in Alf Enger's ski school. Alf Enger is noted for his style which was discussed last fall in the Sports Illustrated Magazine. An exciting agenda of ski events has been planned to take place this year at the Sugar Bowl. The racing schedule to date is:

January 11—Dick Buek Memorial giant slalom.

February 28, March 1—Oakland Ski Club championships downhill and slalom.

March 28, Easter Saturday—Sugar Bowl junior championships.

March 29, Easter Sunday—Walt Disney trophy race.

April 5—National Veterans giant slalom championships.

April 19—Silver belt.

Watch your Sierra Sun for the announcement of other such exciting ski events in the Donner Summit area.

Guests Welcomed . . .

Mr. and Mrs. James Simmons and daughter, Mimi, welcomed Mr. and Mrs. Lester Simmons, parents of James Simmons, for a weekend visit. The senior Simmons arrived Saturday in their Carmengia after a four-hour drive from their home in Berkeley.

Friends Visit . . .

Friendships were renewed Saturday evening over a delicious dinner served by Mrs. Kelly when she and her husband, Albert, together with daughters, Pat and Janice, welcomed Mr. and Mrs. Fred Wall, and their daughters, April and Cyndie, of Emigrant Gap. The Walls are friends whom the Kellys left behind when they moved to Soda Springs.

From Sunnyvale . . .

Mr. and Mrs. Harold Minyard of Sunnyvale were the weekend guests of the Bisson family of Soda Springs. Mr. Minyard is in business in Sunnyvale, where he operates a service station. Sunday morning members of both families spent climbing to the higher reaches of the Sierras. Needless to say all were soaked by our second rain storm of the season. Even so all enjoyed the stiulating hike.

Coming Events . . .

Kiski Lodge will very graciously play host to the Donner Summit Community Club at its first meeting of the coming year, Monday, October 20. Residents of the area will tempt their palatte with a 75c a plate spaghetti dinner to be served at 6:30 p.m. The major order of busines will be the selection of a new slate of officers for the coming year.

Sit Club Meets . . .

Wednesday, October 22, was the second monthly meeting of the "Summit Sit." The ladies of the Donner Summit area who enjoy sewing, knitting and other such handwork met at the home of Mrs. Jim Simmons at 8 p.m. for an evening of visiting and crafts. The group meets bi-weekly at the homes of its members.

Sewing Club . . .

A sewing club for beginners is being organized among the girls on top of the hills. Girls or boys who are in third grade or above will meet in Soda Springs at the home of Donna Power tonight after after school. The first project undertaken by the members will be the construction of a head scarf suitable for cold weather wear. Some mebers will work on wrist pin cushions. The girls held their organizational meeting at the Donner Trail School, October 16. We hope the enthusiasm displayed at the meeting will continue.

Weather . . .

Saturday morning awoke to an extreme change in the weather. A rain storm intensified by strong winds was the major weather picture for the weekend. According to the Central Sierra Snow Laboratory at Soda Springs the temperature low was reached Sunday night, this being 27 degrees. The rain fall for the weekend was .04 of an inch. The forecast for next five days is for clear weather and no snow.

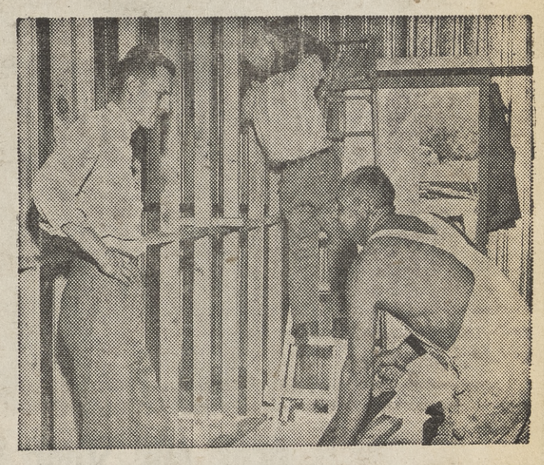
When it comes to

LABOR

Tarr knows the score



NO DOUBLE TALK. Tarr gives it to you straight. He knows that some persons close to the Labor Big Shots are no friends to the working members . . . and some who talk of protecting unions from the racketeers really seek to cripple them. Tarr will remind you that no "special interests" can long oppose the public welfare. The federal government cracked down on Big Business abuses without wrecking the economy, and it can move against labor racketeering without wrecking the unions. Tarr has joined with responsible citizens, both Democrats and Republicans, who believe that the McClellan "Anti-Rackets" Committee has proved that legislation is needed to protect union members from exploitation and the misuse of union funds, and to give them back the control of their own organizations.

YOUR HELP NEEDED. If you have thought the individual citizen can still make his voice heard in American politics . . . if you still believe in government by the people, not by special interest groups . . . then we welcome your support. Write Tarr Committee, Box 713, Chico. Send your check if you wish, in any amount, or just say "How can I help?"

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

SKI CLUB MEETS

The directors and officers of the Lake Tahoe-Squaw Valley Ski Club held a meeting at the Tahoe Community Center Friday night to formulate plans and schedules for the coming year.

GOLF CLUB

Tahoe City Golf Club members enjoyed a pleasant get together dinner at Tahoe Inn Monday night.

AWAIT RESULTS

Tahoe fans and friends of the hydroplane racing circuit are anxious to hear the results of the Sahara Cup races at Lake Mead this week as the national championship is at stake and there are two of our local favorites entered: Jay Murphy who will be driving the Breathless and Bill Stead, who will drive Waggoner's Maverick.

ENTERTAINS

John Drum of San Francisco entertained at a fall houseparty for bay region friends at his Rubicon Point home during the weekend. Included in the group were Mr. and Mrs. Sheldon Cooper.

SHOP IS STARTED

A new shop building is under construction this week near Wayne Poulsen's home in Squaw Valley for the Squaw Valley Land and Livestock Company. Plans are for rental to stores of different kinds such as ski rentals, drug store, clothing, etc.

HOME OWNERS UP

Home owners who were up to sample October weather were Mr. and Mrs. Sandy Walker, who were inspecting their new lake home near the Tahoe Tavern; Mr. and Mrs. Clarence Mayhew of Piedmont; Mr. and Mrs. W. W. Mein, Jr., of Woodside, who were at their Sunnyside home; Mr. and Mrs. J. L. Bradley of the bay region, who were at their Rubicon Point place and Mrs. George Poundstone of Colusa who entertained several women golfing friends at a pleasant house party at her Tahoma home.

WEDDING SHOWER

Friends of Rosie Palmer, nee Rosetta Bosen, feted the young lady at a bridal shower Wednesday. Those present were Mrs. Ruth Mayfield, Alberta Stark, Vi Pomin, Buelah Carnell, Barbara Spitsen, Mazie Carnell, Kathy Steuven, Duane Perata, Joanne Lambert, Jennifer Arthur, and Misses Christine Bechdolt, Jeanne Spitsen and Kirty Kiser.

WEDDING BELLS

Wed at the Park Chapel in Reno on Sunday, October 12th at 7 p.m. were Virginia Gault and Kenneth Ferrier. Virginia is the daughter of Mr. and Mrs. Wes Donaldson of Tahoe City and Kenneth has been employed by Byron Abbott since his arrival here last year. He is originally from Sherman Oaks where his parents Mr. and Mrs. Clarence Kirby still reside. The bride chose for the occasion a blue tweed suit with black accesories and wore the traditional white orchid corsage. Her matron of honor was Marty Rieck of this city, who wore a green tweed suit with aligator accessories. The best man was the bride's younger brother, Rex Donaldson. Attending the ceremony were the parents of the bride and groom and the Don Riecks. Following the ceremony, a wedding dinner was enjoyed at the Circle RB in Reno where a wedding cake was a highlight. The couple journeyed to Oregon for their honeymoon and upon their return will reside at Kings Beach.

FALLS FROM TREE

John Anderson had a rather harrowing experience the other day when he fell from the top of a pine tree while cutting Christmas trees. He is now out of the hospital after a careful examination and fixing of a broken bone in his hip. We are all glad it was not a more serious injury.

Sunday is reformation Sunday, the day on which the members of the Protestant churches call attention to their common historical beginning. In memory of this occasion Pastor Taylor will preach a biographical sermon about Protestantism's founder, Martin Luther. The title of this sermon is, "The Magnificent Monk."

TRUCKEE BIBLE CHURCH

(Non-denominational)

Roy S. Rhoades, Pastor

Our sincere appreciation is extended to the Donner Florist and Gift Shop for the lovely flowers they supplied at the Wednesday evening meeting with Nate Scharff. Many who heard Mr. Scharff on that occasion are looking forward to the "Laymen Date Night" in Reno Friday night, 7:30 p.m. at the California building when he may be heard once again in company with the several Christian businessmen who are with him. Saturday Pastor Rhoades will accompany this same group to Folsom prison at Represa, Calif., and will take part in a service to be held for the benefit of 3000 men in prison.

Teen-time will meet at 7 p.m. this week at the church. The message for Sunday morning worship hour will deal with the "Sustained Strength in Him." Christianity (Christ-in-you) is practical; it works Monday through Saturday as well as on Sunday. We also invite you to join us in Christian Fellowship Sunday evening at 7:30 for a praise and prayer hour and time of growing in the word.

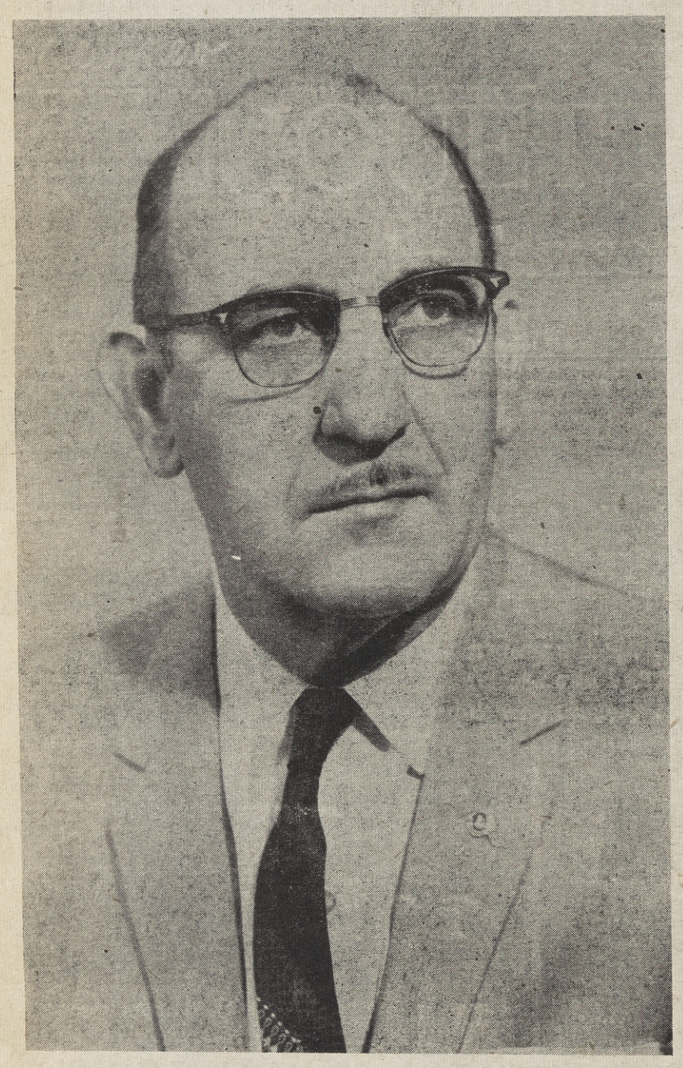
NEVADA COUNTY *Voters*



Your Best Interests ARE ASSURED By Retaining

CHARLES R. KITTS

AS

COUNTY ASSESSOR

ELECTION TUESDAY, NOV. 4

1958

HERE ARE SOME SIMPLE, FORCEFUL FACTS

EXPERIENCE — Your Assessor for 2½ years; in charge of the office, personnel and procedures. You must earn experience, you can't pick it up.

EFFICIENT — Reports and records completed on time; commendations from auditors and state boards; trained in the new state programs and recommendations.

COUNTY WIDE — It has been and will continue to be the responsibility of your assessor to devote his interests to ALL THE COUNTY, seeing to it that assessment throughout the county are equitable and fair.

COURTEOUS — Every citizen is made welcome; your story is heard; ways and means of solution are presented; you are treated as though you are top priority.

AND THIS — The Assessment Roll is the county' lifeline; the budget for all county activities and services lives by the Assessment Roll. The larger the Assessment Roll—the smaller you pro-rate share of tax payments. Assessor Charles Kitts, despite mine closing and an uncertain lumber market, has been able to show increases in the county Assessment Roll each year. You were not asked to make up any losses. In fact the larger assessment roll meant a decrease in your taxes this year. Retain Assessor Kitts —A Man who Is Vitally Interested in Your Problems. (Paid Political Advertisement)

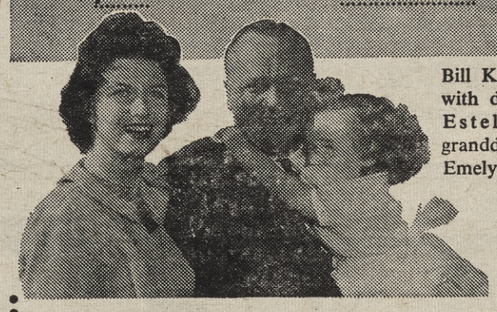
Meet Bill KNOWLAND

DEDICATED CALIFORNIAN and EXPERIENCED LEADER

LEADERSHIP... to trust with your future...with California's future



Bill Knowland with daughter, Estelle and granddaughter, Emelyn.

BILL KNOWLAND Has

- 26 Years of Public Service
- A Consistent Record of Achievement
- A Forthright, Vigorous Program For Our State

ELECT BILL KNOWLAND GOVERNOR

A GREAT STATE DESERVES A GREAT LEADER

"....the truth shall make you free"

Bill Knowland, soldier, statesman and family man who has served the people of California with honesty and integrity for the past 26 years, declared in a speech at Concord on Oct. 3, "This is not an ordinary election."

Indeed, it is not.

The decisions that will be made at the polls next month will set the course of the State's destiny and our individual lives for years, perhaps generations, to come.

California must have a leader in the Executive Mansion at Sacramento WHO WILL NOT BETRAY the state into the hands of men like those who have manipulated Michigian into a private preserve for Labor Bosses.

California needs a Governor who will represent the people of the state—the workingman, the farmer, the storekeeper. California DOES NOT NEED a Governor who will transfer the State's political control to Hoffa, to Bridges or to Reuther.

* * * *

Bill Knowland has a record of performance on the vital issue of WATER FOR FARMS AND FOR INDUSTRIAL GROWTH. He has demonstrated by positive action his sincere belief that there is sufficient water for farms, for electric power, for industry, for more jobs and he has a positive program for development of the state's water resources.

Bill Knowland believes we need a STRONGER EDUCATION PROGRAM stressing mathematics, science and other essentials. While in the State Legislature Bill Knowland worked to preserve the Constitutional guarantees for financial support of the schools. Bill Knowland is a POSITIVE PERFORMER not a glib promiser!

Bill Knowland stands for Free and Democratic labor unions. He has said, "I believe in, and I unqualifiedly support the right of every Californian to join a union." But Bill Knowland believes that the unions belong to the members, not to the bosses.

In politics, a man is known by the interests that oppose him.

Bill Knowland is opposed by a mammoth financial fund channelled into the California gubernatorial campaign by power-mad Union Bosses who are using their members' money to get their talons into politicians willing to be their servants and thus to acquire the same political power in California they have obtained in central and eastern states.

This is, indeed, NOT an ordinary election.

The labor dictators pretend they are getting the millions in their political slush fund to fight Proposition 18, the Right to Work. This is nonsense. The union bosses know that in the 18 states that have adopted Right to Work, unionism has not been harmed.

What these Union Bosses want is control of California.

And what they don't want is Bill Knowland, an honest man, a capable man, who can't be cajoled or bludgeoned into dancing to their sinister music.

The man California needs for Governor is Bill Knowland.

ELECT BILL KNOWLAND AS GOVERNOR.

Experienced . . . Aggressive . . . A Consistent Record of Achievement.

Contributions To Support BILL KNOWLAND In His Fight Against The Chains of Political Dictators Can Be Made By Mail to Post Office Box 185, Nevada City.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL

KINDERGARTEN: The boys and girls in kindergarten are making a wall mural for Halloween.

Our class is in charge of school assembly on October 31. We are learning a "Pumpkin Polka" with the first graders.

June Hampton shared her birthday with us on Friday. We had cookies, played games and made a "Birthday Book" for June.

SECOND: Our class has been working on choral speaking. The entire class took part in "The Old Woman." Candy Ehlers and Cindy Lee Malmgren acted the part of the two women in the verse choir.

Our new boy is David Schrantz. David came from Sparks. Now there are 38 children in the second grade.

During social studies, we are studying our community. We are making a large map of North Tahoe, so we will know where everyone in our class lives.

THIRD: The class is finishing a unit on "Apples" in connection with the study of plants and trees. The theme of our unit is "An Apple a Day Keeps the Doctor Away." The children have made reports, drawings of a tree showing in the parts of the tree and made an outline on "What We Learned About Apples."

FOURTH: The past week has seen the fourth grade busy in many ways. One-hundred in the final spelling test was good news to the following: Kenneth Kammerer, Steven Malmgren, Clint McKay, Andy Tompkins, Jerry Thompson, Nancy Barker, Cathy Chastain, Susan Clockett, Everly Clinton, Carol Corbin, Martha Degregario, Gale Graton, Toni Hanson, Cindy Hiatt, Wendy Howell, Nancy Hutchison, Vickie Jones, Darlene Koyaech, Debbie Martin, Cathy Rockholm and Christine Wainscoat.

Social studies this week has been the color maps showing the route that Columbus and Cortez covered in "The American." We also acquainted ourselves with the Washoe Indian.

P.S.—Congratulations to Vicki Jones—fourth grade cheer leader.

SIXTH: We are studying about Central America. We divided into groups and each group took one country: The chairmen are: Art Waddell, Tom North, Jon Hill, Wendy Boatman, Estelle Howell, and Ronnie Baker.

We received our Tab Books this week. We are all enjoying them.

We decided, in our class club, that we would have a meeting every two weeks instead of every week. We are planning to have a dance around Halloween.

We are sorry to say that Linda Westberg left for southern California.

In spelling, the following people wrote spelling stories using the new words in their spellers: Marie Wainscoat, Janet Sines, Wendy Boatman, Susan Graton, Eddie Hoff, Estelle Howell, Leta Laborde, Hollis Shaw, Ronnie Baker, Nancy Bervid, Jayne Shontz, Donnie Bury, Donnie Decker, and Bob Holley.

SEVENTH: The seventh grade decided to show their parents at the T.P.A. meeting how we set up the school lending library. The class vice president, Lynn Staben, opened and closed the program. To show how we learned to make cards for a library card catalog. Kim Molsberry carried her idea out with the help of Mary Anne Spitsen, Kathy Ploof, Mike Knittel, Richard Krips, and Larry Free.

Lee Elliott, Sandra Riggs and Karla Kiser put on a skit about filing the cards we'd made.

Mike Clare, Marcia Sims, Sandra Snyder, Madelyn Kammerer, Danel Pomin, and Greg Thompkins explained the markings on books for fiction and the Dewey Decimal System for non-fiction.

Jim Hilgesen, David Payne, and Richard Krips told how we learned to file the books on the shelves. Wally Beach, Bill Bates, Roger Peters, and Garry Burmer acted out the explanation. Brad Thompson wrote about how the students use call slips to order their books.

Karen Lee Critchley and Jim Hilgesen were elected as our student council representative.

TAHOE LAKE SCHOOL NEWS

KINDERGARTEN: Two birthdays were celebrated Thursday at the Tahoe Lake kindergarten room. Honored were Julia Gahlert and Don Rabska. The class presented each with a picturebook of free handdrawings made by the group. Individual cup cakes, decorated in pink and blue with each child's name, were served with ice cream, by mothers Mrs. Gahlert and Mrs. Rabska.

FIRST: Half of the students in our first grade finished another reader this week and took the 30-word vocabulary test. The following students made silver stars and 100 percent on this test: Carl Larson, Mark Wuthmann, Laura Hoxsie, Christina Keehn, Sands Hall, Sally Starratt, David Timbrel, and Debra Stark.

SECOND: The second grade studied the beginnings of boat building with fire and sharp stones as the only tools. One of the best drawings was made by Greg Pyle, showing the Canadian cedar dug-out.

THIRD: The third grade are studying about Indians.

The following children brought displays: Jimmy Stevens, Billie Rabska, Ann Starratt, Bro Shontz, Mike Burmer, Tommy Hoff, David White, Jimmy Caulkett, Jackie Jones, Karin Meixner, Kim Marvin, Ernest Marier, Tommye Easterly, Anna Marie Conners, Breezie Cross, Dianne McBride, Denise Hendrikson, Barbara Neilson, Erik Hendrikson.

FOURTH: The following children received perfect scores in the weekly social study test: Cris Beavers, John Carnell, Jon Caulkett, Tad Hall, Dick Pomin, Danny Sprague, Lynn Harper and Christine Litke.

FOURTH-FIFTH: The firemen's display was on parade for the fourth and fifth grades Monday. Al Henry and his assistant, Mr. Bill Keehn, showed the classes what they do in case of fire.

Carolyn Owens, fifth grade, has left our school.

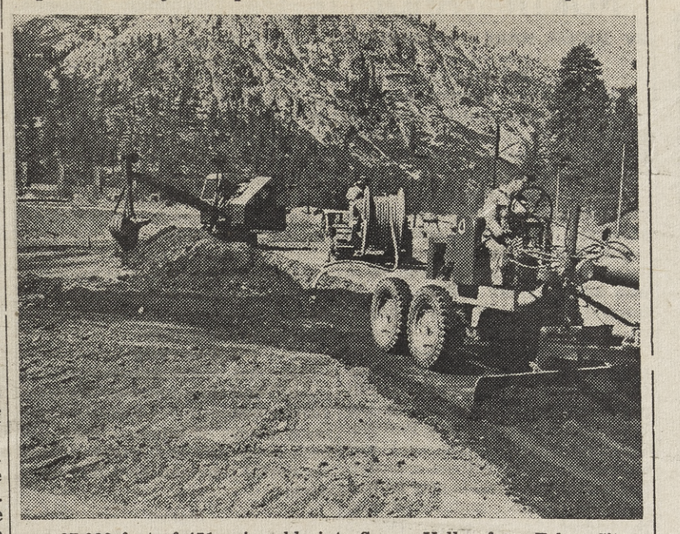
The fifth grade has started practice for a play for Halloween. The parts are: Thurza, the witch, Karen McBride; Hester, the cat, Cathy Conners; the three kittens, Kristen Meixner, Jeff McLane and Stephanie Snyder; the owl that wasn't very wise, Stephen Rogers; mother goose, Sherrill Flory; Alice in Wonderland, Julianne Bechdolt; Bobby, John Handy; Carol, Joyce Anderson; Jill, Alex Cushing.

TRUCKEE ELEMENTARY

KINDERGARTEN: John Schuler has moved to San Diego with his family. We hope he will like his

(Continued on Page Seven)

Squaw Valley Telephone Cable Job Nears Completion



97,000 feet of 451 pair cable into Squaw Valley from Tahoe City and Truckee nears completion and ample facilities will be available by November or December.

Jack Farris, engineer in charge, said the cable will provide circuits for telephone, teltypewriters, radio, televisoi, and private line telephone service for the 1960 Olympics, in addition to the many new summer homes now under construction.

To California

...a glass of beer is many things

Santa Barbara Mission—a typical landmark in Southern California. And another familiar sight in our state is a glass of beer. Beer belongs to our California living.

To California's barley farmers beer "belongs" in an even greater sense. Last year the Brewing Industry purchased about one-third of California's record barley crop . . . paid over $21 million for a variety of agricultural products. Beer is important to our California economy.

Willing Water says—

Use Water Usefully

Waste and Extravagance in the use of water is sabotage.

V—Use all the water you need for cleanliness and for health. Drink what you need. Use what you need for cooking. Use the water you need for bathing and in the laundry—but Don't waste it.

V—Use water on your lawn or your garden wisely. Don't water-log the ground. Better to irrigate it well as the rain would do, say once a week, than to sprinkle lightly every day.

X—*Avoid* wasteful habits, such as letting the faucet run while you do something else.

X—*Don't* accumulate piles of trash in the cellar or the attic or any other place around the home. That's a fire hazard and it takes water to put out fires.

X—*Don't* let water fixtures leak—whether it be a drip or a deluge.

Waste of water is sabotage.
Stop It!

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

The weather Sunday morning was real blustery but by afternoon the sun came out and it was beautiful. The temperature Sunday evening is 33 degrees.

Open House

Don't forget the big open house at Crystal Bay Club on this Friday night, October 24. Cocktails from 8 till 9 p.m. to be followed by a free buffet. There will be lots of fun and dancing 'till the wee hours.

Halloween

Keep in mind the big Halloween party, October 31st at Crystal Bay Club, this is the annual benefit party and dance sponsored by the Veterans of Foreign Wars, Post No. 7077 and Auxiliary. The time will be 8 p.m.—there will be a buffet, favors and fun. Tickets may be had from any member and V.F.W. and the stores in the area. Tickets are $1.

Real Proud Jarents

Are Mike and Virginia Kornazowich proud at the arrival of a baby girl during the past week? The tiny bay's name is Kim Marie and her big brother Mike thinks she is a real baby doll. Congratulations Virginia and Mike.

Under The Weather

We hear that Meredith Siple has been under the weather down in Glendale, but is improving rapidly. Keep up the good health, Meredith.

Success

The fall festival in the shape of a bazaar followed by a potluck dinner was a huge success according to Mrs. Otto Walter. This was held at the Community Methodist Church in Kings Beach.

Women's Club

The Women's Club of North Tahoe will meet at the Nevada Lodge at Crystal Bay at noon on October 27. Alice Hall, a newcomer to the vicinity, will give a talk on Alaska and should be very interesting. Get your reservations in early.

Birthday

Congratulations to Carl Bechdolt, Sr., on his birthday.

Home Again

Jackie Jensen is back at his home in Crystal after a successful season in baseball's big league. Sure nice to see him back.

Nice Trip

Ace and Mary Abbott spent a month traveling through Canada, visiting Montreal, Victoria and many places of interest. They are back home safe and sound. Had a wonderful time and both feel wonderful.

Moved

The Walter Bailey family has moved from their former location on Bear street to the A. R. Shane home in Carnelian Bay.

Been Ill

Glad to know that Mrs. Eddie Moore is recovering from an attack of the flu.

Trip

We hear that Andy, Alice, Nina and Carl Sorensen left for a fishing trip up the Redwood Highway and may go as far as Oregon. They hope to come back with some good fresh fish.

Back Home

Yes, back home and glad to be here are the Laverys, after having a couple of days at 111 degrees in Long Beach. They say, give us Lake Tahoe, anytime, cold or otherwise. Their son, Kenny, likes the navy but is not at all impressed with southern California.

Going To Japan

Sergeant and Mrs. Jim Davis with their two children are spending a week's vacation at the Davis home on Brassie avenue. The family will fly to Japan on the 30th of October and will be there for three years. Major Ray Davis, a brother, has recently returned from Germany, after being there four years.

In Santa Barbara

Harry Stubley is in Santa Barbara representing Placer County, as chairman of the Placer County Planning Commission at the 28th annual conference of California County Planning Commission's Association, which is being held through October 15th and 18th. Harry says the conference is most interesting and instructive and will return to Kings Beach on the 26th.

Tahoe Items

Leaving for other climates are Mr. and Mrs. William Tamblyn of Kings Beach who returned to their home at Nevada City.

Ernest Hoerdler spends summers at Tahoe City and leaves for Covina after hunting is over.

Stella Watson of Tahoe City wrote that she is making her annual trip to Newcastle.

Mr. and Mrs. W. J. Tiffany, summer residents at Tahoe City for more than 50 years, left for their home at Stockton.

Mr. and Mrs. Ralph Peer of White Firs in Tahoma are at their place in Los Angeles, after the season at the lake.

GERALD E. LEWIS

SCHOOL NOTES

(Continued from Page Five)

new home. Before leaving he gave his two parakeets to his kindergarten class. Jimmie Digesti and Steven Michell have taken care of them this week.

We helped Debbie Jellin celebrate her fifth birthday last week.

FIRST: Twelve students have finished their first pre-primers, they are: Nancy Raymor, Debbie Wurst, Kent Mullis, Druscilla Turner, Ben King, Larry Doyle, Kathryn Campbell, John Poppe, Ilene Hunt, Diane Rose, Byron Johnston and Donna Comola.

SECOND: These are the best spellers in the second grade this week: Joe Reichlin, Brent Hauuisin, Mary Lou Randall, Elizabeth Richards, Kathy Decker, Curt Wurst, Claudia Rhoades, Saidra Echerman, Steven Kenyon, Charles Anfield, Monte Neugebauer, Jonathan McLane, Yvonne Johnson, Danny Moran, Brian Smart, Terry Higgins, Michelle DeLisle, Ryan Haulgate, George Franceschini, Curtis Melugin, Sandra Ferdinand, Bruce Leamon, and Joe Merica.

Virgil Needham left for Chico.

THIRD: A tiger's head and fur was brought to class by Dale Young. This tiger was found in Africa. It measures 9 feet in length; and weighed 500 pounds. It's mouth opens 11 inches, it's teeth are two inches long.

THIRD-FOURTH: We're making a mural of the lumbering industry. Those who worked on the mountains were: Mike Davis, David Derting, Nicky Kenyon and Augustine Acosta. Those who worked on the sky were: Kathy Braasch, Sue Olano, Rhonda Manley and Cheri Comola.

Linda Lamar and Cathy Braley worked on the river and roads.

Those who will receive their two-star awards are in the book club: Cheri Comola and Elgin Johnston.

FOURTH: Fourth grader Terri Richards suffered an unfortunate accident when he fell and broke her arm during foot races. Dennis Richards has been ill with the mumps. Pam Richmond departed for Chico. Looks as if the three R's have had it this week. With Izella Whitthack also leaving we have 35 members of the class left.

Commendable achievement in studies was performed by Cam Houlgate and Mike Grayson in language: by Blakely, Doolittle, Englehart, Holleman, Mullis, and Waters in spelling; by Blakely, Doolittle, Foster, Haueisen, McLane, Mullis, T. Richard in social studies.

Outstanding performance of the week was by Beverly Holleman who turned in a social studies that was acclaimed by all the persons who saw it.

Jim Reynolds finished an embroidery design of a butterfly. Very clever and well done.

SIXTH: We were sorry to lose Susan Knapp who moved to Tahoe City. We wish her well in her new home.

Friday we had a general review test in arithmetic. Those who made 100 percent were: Marcia Leamon, and Dennis Stumbaugh.

Some of the class have started shadow box exhibits.

PATRONIZE LOCAL STORES

SP PURCHASES 70 NEW DIESEL ENGINES

Southern Pacific announced today the purchase of 70 new diesel locomotive units and 100 new and longer piggyback rail cars.

D. J. Russell, president of the railroad, said all of the big 1750 to 1800 HP diesel units will be placed in mainline freight service by next June.

The diesels, costing more than $13,500,000, will be built by Electro-Motive Division of General Motors and Alco Products, Inc.

This will increase Southern Pacific's diesel fleet to 2068 units, representing more than three million horsepower and an estimated outlay of over $326 million.

The new flatcars, of the Clejan type, will be 85 feet long. They will be built by General American Transportation Corporation of Chicago, holder of the American patents of the French-designed car. Delivery is slated for next February.

Southern Pacific already owns 150 cars of the same type, used only for trailer-flatcar operations.

Russell said the new flatcars will be integrated into general piggyback operations over the railroad's entire system.

The specialized cars are equipped with unique hold-down devices and cut loading and unloading time of trailers from six minutes for conventional cars to one minute.

FOUR SPARKS ARE FEATURED AT LAKE

CRYSTAL BAY—Nevada Lodge, the year-round resort hotel on Lake Tahoe's scenic north shore, is offering two fine music and song groups for nightly entertainment.

The Four Sparks lead off the evening show. This group, organized only three months ago is already spinning its way to the musical heights via a new record for Arwin, "Robin Redbreast and "Something Happened," both written by Bill Comstock, leader of the quartet.

Lee Raymond is the lead singer, and he is also a talented man with trumpet and trombone. Bob Jackson, the drummer, is also a featured singer, and the bass-man is Bud Warner.

ROTARY PLANS FOR BIG CONVENTION AT LAKE NEXT SUMMER

KINGS BEACH—The Rotary Club of Brockway met Monday with District Governor Ed Combatalade of Sacramento. Purpose of this meeting was to discuss plans for the coming Rotary conference May 15, 16, 17, 1959. Other guests of the Brockway Rotary Club beside Governor Ed were Mrs. Harry Hooper, Mrs. Nel Barkhurst, and Mrs. Bernita Jones. Also attending was Judge Harry Charrison. All members were enthused about prospects for this coming conference and it is predicted by Governor Ed to be one of the best attended of all Rotary functions. Present planning is for 1500 visitors to our area.

Beside serious plannery sessions, entertainment for the guests will include a golf tournament, boat rides, a trip to Squaw Valley and a ride on the sky chair, bingo, bridge, dancing, and many more attractions we are able to afford at beautiful Lake Tahoe.

Local business people, whether Rotarians or not will be asked to help solve some of the problems attached to a project of this size. All visitors will have to be housed locally, and there will be many hours spent in local shops by visitors on a "weekend of fun."

FIBREBOARD OPENS NEW TREE FARM

QUINCY—A total of 10,000 acres of second-growth timberland was the featured forest area of Plumas County Tuesday in ceremonies dedicating the Plumas Tree Farm of Fibreboard Paper Products Corporation.

The dedication started at the new Fibreboard Plumas Tree Farm sign just east of Suring Garden on Highway 40-A outside of Quincy. The program included brief talks by company officials and A. B. Hood, president, Western Pine Association.

A luncheon at the Quincy Hotel followed the dedication in honor of county and state officials and legislators.

Abraham Lincoln said: "There is no America without labor, and to fleece the one is to rob the other."

DISTRICT GOVERNOR AT TAHOE MEETING

TAHOE CITY—Edmon Cambatalade, governor of District 519, Rotary International, paying his official visit to Tahoe City Rotary Club on October 14 examined past activities of the club and in an hour long talk to the members urged more practice of the Rotary motto, service above self, the learning of good qualities of people by better acquaintances and the application of Rotary's four way test, namely, Is it the truth, Is it fair to all concerned, Will it build good will and better friendships and will it be beneficial to all concerned.

The district governor said it is a matter of learning to live with all peoples of the world or try to annihilate them in another world war. He reminded that Rotary extends to every land in the world except behind the "iron curtain" but another war can be averted by friendly actions. He said he had heard men say they could get along with the Russians when these same people did not even get along with a next-door neighbor.

Don Snyder chairman of the annual Halloween party, announced that this year's party will be held at Tahoe Inn on November 1 and he asked any member intending to bring guests notify him in advance. Martin Spitsen presided.

SEWER HEARING AT TAHOE OCTOBER 30

TAHOE CITY—A public hearing on the formation of the Lakeview Assessment District for improvement of the sewer system has been scheduled for 8 p.m. October 30 by the Tahoe City Public Utility District.

The utility district proposes $34,692 worth of work, including the installation of a gravity sewer line and a pumping plant. The hearing will be held in the Village Store.

Thomas Jefferson said: "The mass of mankind has not been born with saddles on their backs, nor a favored few (born) to ride them."

SELECT CHRISTMAS CARDS AT THE SIERRA SUN.

ABBOTTS RETURN FROM NORTH TRIP

KINGS BEACH—The A. E. Abbotts have just returned from a three-weeks trip to Washington, Oregon and Vancouver Island, B.C. While in the North they visited their new great-grand child, Mark Wayne Lemke, the son of Diana and Maurice Lemke, Seattle. Mark is the first grandchild of the Byron Abbotts and is two months old. Wilma made a trip to visit Diana but Byron has never seen Mark. They expect to make the trip at Christmas.

Jacquie and Dick Lawrence (Jacquie Abbott) accompanied the Abbotts on the trip, while there Ace visited his brother, Vernon, whom he had not seen in several years. His brother lives in the apple country near Leavenworth, Wash., and brought some nice specimen of the wonderful apples they have there in their own orchard.

FATHER OF TAHOE MAN DIES ON COAST

KINGS BEACH—Word was received Sunday of the death of the father of Walter Hapgood at the family home in Menlo Park.

Walter will be remembered as a student at Tahoe-Truckee High School, and at Kings Beach, where he made his home with the A. E. Abbotts. Hapgood, Sr., was stricken in the spring while spending a few days at a ski resort at Donner Summit, a lung ailment resulted from which he never recovered.

POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT

DON'T LET THIS HAPPEN TO YOU!

Who wants to be stuck for a NEW STATE SALES TAX ON FOOD? Or new and higher taxes on Gasoline? Or a new State tax on Homes?

Nobody—of course!

Yet State officials, business economists and tax experts agree that these are the almost certain results of passage of Proposition No. 17—the Monkey Wrench Tax Bill on the November 4 ballot.

No. 17 is called the Monkey Wrench Tax Bill because it would wreck the machinery of State government by its irresponsible tax tinkering.

By reducing the State's chief source of revenue—the sales tax—No. 17 would imperil appropriations for schools, hospitals, aid to needy children and the aged. By hiking California income tax rates to the highest in the nation, No. 17 would drive business from California and threaten job security.

Who'll pay to put the pieces together again if the Monkey Wrench Tax Bill strikes? Middle and lower income bracket people would pay the most—through new and more burdensome substitute taxes at both the State and local levels. Don't let it happen to you!

These, and hundreds of other responsible California organizations agree:

There Is No Replacement for Experience

Letter to the Editor

Nevada City, Calif.
October 11, 1958

To the Editor:

Your Oct. 9 issue had a Sunbeam with kind words for our capable Governor "Goodie" Knight. I, too, am trying to help elect the most capable men to public office.

The rest of the message you apparently wished to convey could be answered by Harry Truman's msaying, "If you can't stand the heat you should stay out of the kitchen." However the people de-deserve something better than a quip. herefore some facts are in order and if as your masthead states: "The Sierra Spun . . . It Shines for All," let these truths radiate.

It is my understanding that the direct primary in California is open to all candidates who wish to place their name before the voters for any state office including the governorship. Would you suggest that this process be changed? Should the people not be trusted with this freedom of choice? Have we slipped so far down the road of Labor-Socialism that we no longer can stand the opposing viewpoint?

Walter Reuther's U.A.W., C.I.O. spent in 1954 election some $725,000 toward the election of one U.S. senator, and in 1956 they took part in and supported 300 congressional candidates for office and nearly $2,000,000 of union funds which could have bought a lot of new dresses for the worker's wives, but did the workers vote to have their funds spent in this manner? 38 more seats and they would have a majority and could have passed any law they wished. his would be labor dictatorship and could be the end of our freedom. (Ref. Congressional Record March 24, 1958).

You are aware of the doings of the Becks, Hoffa, and others and the recommendations of McClelland committee of the senate regarding corrective labor legislation to protect the workers' rights, the democrat controlled congress did not pass the senate bill but held it for 41 days and nights without action and then tried to force it through without debate or right of offering amendments to it.

Bill Knowland has served us well these past 13 years in the U. S. Senate and he was able to foresee this fate for the labor bill. He toured California last year after congress closed and he became convinced that now is the time and California the place to bring this issue before the people whom he has served for the past 26 years. He felt that in six years it would be too late to stop the trend of socialism. Therefore Bill Knowland announced his intention to run for the governorship of his native state. All the personal abuse by the opposition and others reported in the press, V and radio has not detoured this great American, the worker's true friend. His collegues in the U. S. Senate have these words to say about Bill Knowland. Quote: "I know no finer man than the senior senator from California. Intergrity and honor are words which . . . when applied to Bill Knowland they assume a precise accuracy that cannot be matched by Webster." (January 9, 1957, Democrat Senator Lyndon Johnson, senate majority leader.)

"If I were to say only one sentence to typify Bill Knowland, it would be that no greater patriot ever served his county." (January 9, 1957, Democrat Senator Hubert Humphrey.) "In my opinion, he is one of the great Americans of this day and age." (July 20, 1956, Democrat Representative John McCormack.)

Now what is the alternative for those who are disappointed? Is it to switch to the opposing viewpoint? I think not for they are not so blind to America's great need for leadership in the states as well as in Washington.

The attorney general was elected eight years ago by the people and anyone can see the shocking increase in crime in this state. Narcotics addition up in the past five years 235 percent and in the young age group its up 165 percent while the population rise for the same period is but 14.7 percent. At the same time in Illinois it was dropping 43 percent. If he is not capable to do a better job in this one department how could he handle the 124 departments and the other bureaus under the governor's office?

Are these some of the reasons why the attorney general is fearful of debating before TV with Bill Knowland?

"With fairness, with generousity, with willingness to concede the validity of an opposing point of view, the senator from California nevertheless has been an able advocate, a fair adversary and a great leader of his party. I consider him a great American." (As spoken by Democrat Senator Albert Gore, August 3, 1953.)

It's time to know the truth and the truth will make you free.

Yours truly,
R. SCHORR,
Chairman Republican Central Committee of Nevada County.

BIDS OPENED

SACRAMENTO (CNS) — The state department of public works has opened a low bid of $17,319 for reconstruction and repair of storm damage at six locations on the Gold Run-Lake Alta road, between Monte Vista and Alta road.

ORDINANCE NO. 5809 of TRUCKEE PUBLIC UTILITY DISTRICT APPOINTING OFFICERS OTHER THAN DIRECTORS

WHEREAS Section 16111 and following of the Public Utilities Code provides among other things for the appointment of officers other than Directors; and

WHEREAS the Board desires to appoint said officers by reason of recent resignations;

NOW THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISRICT, as follows:

1. That Patsy Tonini, be and she is hereby appointed Clerk and Bookkeeper of Truckee Public Utility District, and of the Board of Directors thereof, said Clerk and Bookkeeper to receive a salary for such work as Clerk and Bookkeeper in the amount of $300.00 per month payable semi-monthly.

2. That Evangeline Hallett be and she is hereby appointed Treasurer of the Truckee Public Utility District and for such services she shall receive the sum of $350.00 per month, payable semi-monthly.

3. That Daven Morey be and he is hereby appointed Secretary of the Board of Directors of Truckee Public Utility District and for such services he shall receive the sum of $500.00 per month.

4. That the officers hereinabove named and hereby appointed shall perform such duties as are provided by the Public Utilities Code of the State of California applicable to Utility Districts in unincorporated territory and such further duties as may be imposed upon them from time to time by the Board of Directors thereof, and said officers hereby appointed shall hold office at the pleasure of the Board of Directors of said District.

5. That the Treasurer of said District, hereinabove named, shall have charge of the funds of said District, the said funds to be withdrawn only upon order of the Treasurer and upon the signature of the Treasurer and at least one members of the Board of Directors thereof. Said Treasurer shall post a bond with said District in the amount of $10,000.00.

6. Copies of this ordinance shall be posted in three public places within said District and published in the Sierra Sun at least once, said posting and publishing to be completed not later than 21 days from the date hereof, and the Clerk of said District is hereby authorized and directed to effect said postings and publishing.

The foregoing ordinance was duly passed and adopted by the Board of Directors of Truckee Public Utility District this 25th day of September, by the following vote:

AYES: Dan Horman, H. M. Welch, B. R. King, Jr., George Kaspian, Jack Neugebauer.
NOES: None.
ABSENT: None.

H. M. WELCH,
President of the Board of Directors.

Truckee Public Utility District.
ATTEST:
Patsy Tonini
Clerk of said Board. o23-30

Political Writer Views State Races

The California election is the most nationally significant state contest in recent history, in the opinion of Stewart Alsop.

In the current (October 18) issue of The Saturday Evening Post, the veteran newsman finds that this fiercely fought campaign "has everything."

His article, "The Great California Drama," says that among other things it involves the fate of three major aspirants to the presidency of the United States.

Alsop says it also will profoundly affect the internal coloration of both major parties, will have a powerful impact on American foreign policy and will determine, perhaps for years to come, the political control of what soon will be our biggest state.

"Perhaps, above all," Alsop writes, "it will go a long way toward establishing whether the republican party is destined to permanent minority status in the nation."

The author identified Senator William F. Knowland, Governor Goodwin Knight, State Attorney General Edmund Brown and Congressman Clair Engle as the main characters in this "superb" human drama.

He also finds, however, that Vice President Richard M. Nixon's fate is involved via his protege Pat Hillings, republican candidate for attorney general. The reasoning outlined is that a democratic sweep would throw doubt on Nixon's ability to carry his own state, and Nixon's still numerous enemies in the republican party would begin to repeat the two words that twice beat Robert A. Taft in his bids for the presidential nomination that he "can't win."

Almost all observers in California are said to agree that if Knowland, "that proudly confident man," had not been so proud and confident the June primary disaster might have been avoided.

Californians, it is reported, have a very consistent habit of re-electing incumbents. If only Bill Knowland had run for another senate term, leaving Knight in peace to run again for governor, both would have been odds-on bets for re-election, despite the national democratic trend.

Rear-End Collisions May Be Avoided With Care, Auto Association Says

In rear-end collisions, it's the driver behind who almost inevitably is cited by the police and who has to pay the repair bills, says the California State Automobile Association. However, the AAA motorists' organization points out that it is the responsibility of the driver in front to do what he can to avoid such an accident, including the following:

First, even though arm signals have become almost outmoded by the advent of stop lights and turn-signal lights, the motorist should give an arm signal every time it is necessary to make a faster-than normal stop.

Second, he should glance into his rear-view mirror so he will know if another driver is following closely. Often a driver can adjust his driving to compensate for the shortcomings of others.

Third, he should be especially attentive when driving in heavy traffic and anticipate hazards so it will not be necessary to make a sudden stop.

The number of rear-end collisions would substantially be reduced if all motorists followed these suggestions, maintains the CSAA.

Graysons Return—

Mr. and Mrs. Kenneth Grayson and children, Michael, Wanda and Diana have returned to Truckee from southern California. He is now employed as a bus driver for the Tahoe-Truckee Unified School District. Mrs. Grayson is a sister of Mrs. Jack Ellis.

NUMBER OF OFFICERS DETERMINES MISHAPS

AUBURN—County Building Inspector Gus Reeves has reported the Lake Tahoe area continues to lead building in the county with half of the September building permits issued for that area.

Reeves reported 155 permits were issued for the month for structures valued at $967,407. Seventy-six of these permits were for the Tahoe area for buildings valued at about $600,000.

Reeves reported during September of last year 120 permits carrying a valuation of $933,855 were issued.

Greet Friends—

Sending greeting to local friends this week, via Sierra Sun are Mr. and Mrs. Dave Anderson of Dunsmuir and Mr. and Mrs. Henry Williams of Sacramento. The men were employed by the Southern Pacific Company while living here.

DONNER CAMP SEARCH

Continued from Page 1

date there were no visible remains to be seen but from memory he traced for them the outlines of the camp in detail.

The Donners had been in the vanguard of the emigrant party named after their Captain, Mr. George Donner and never were able to reach the lake as did the majority of the party for they had been delayed by a broken wagon axle in descending the steep hill into Dog Valley several miles east. It was an unfortunate accident which would have a serious effect on the futures of the Donner families. When the wagon was overturned some of the Donner children were thrown out but luckily none was injured, however while the repair to the axle was being made, George Donner suffered a severe injury when the chisel he was holding for his brother Jacob, slipped and he received a glancing blow of the axe on his right hand and fingers.

The consequences of this injury were to have a distinct bearing on the lives of George and Tamsen Donner his wife, as well as other members of their family. When the Donner families and their teamsters reached this valley, now known as Alder Creek Valley, they at once set about cutting trees for their cabins as they realized they would no doubt have to winter in this spot on account of the heavy snowdrifts facing them ahead. By morning a storm had covered everything with deep snow, and they abandoned any thought of a permanent log house and instead hurriedly built a makeshift shelter of boughs, covered with blankets, comforts and canvas tops from the wagons. Grim fact was to mete out a forced stay here in this little valley for the most of them, and for some it would become their burial ground.

With Mr. Nicholas Clarke leading the party on horseback, was Mr. C. F. McGlashan, author of the "History of the Donner Party," first published on June 30th of the same year. Others in the party included several prominent people from Truckee interested in tracing the trail of the Donners and in the locating of the Donner family camp site. Mr. Clarke pointed out to Mr. McGlashan, the tall stumps surrounding the camp site, and outlined to him the trail which the emigrants used in coming from the east into Alder Creek Valley. This trail led over a wooded ridge and from there crossed the flat bottoms of Prosser Creek Valley. Traces of the trail were still evident even though thirtythree years had passed since the fateful winter of 1846-1847.

OFFICE TO CLOSE

Because November 4 is election day, local people receiving unemployment checks are asked to make their visit to the Auburn office on Monday, November 3, as the office will be closed the following day.

LINDSAY

Continued from Page 1

ing, as were the boards of supervisors of both El Dorado and Placer Counties, all of the local chambers of commerce, and all of the legislators representing the area.

"I have not changed my position one iota," Lindsay stated. "I think the expenditure of thousands of dollars by the state division of highways to try to come up with some fantastically expensive proposal to keep the upper road open through a glacial moraine area has been a waste of public funds."

He further stated that he was in complete disagreement with the division of beaches and parks that the relocation of this road would seriously disrupt or seriously scar the state park system in this area. Lindsay pointed out that he was one of the co-authors for the acquisition of Emerald Bay by the division of beaches and parks.

"Perhaps we should have built the bridge before we let them buy it, then we could have solved this problem more easily and probably to the satisfaction of the local residents and we would not have had such serious opposition from statewide entities outside of our own area," Lindsay added.

WOLVERINES

Continued from Page 1

as the Wolverine defense held Quincy to one first down all the second half. Truckee's offense kept up the good work until they'd get within their opponent's 15 and then they would either bog down or be brought back as a result of penalties. Truckee went to the air the last remaining seconds but just couldn't quite master a TD.

Some statistics show the Wolverines with 13 first downs to Quincy's eight and 292 net total to the Trojan's 129 with only 37 of that in last half.

Buzz Trainor had 51 yards in nine carries while teammate Randy Shultz gained 59 yards in eight attempts for Truckee.

Coach Drakulich and Wilson agree that despite the score this was the best game the Wolverines have played so far this campaign.

The next three games for the Wolverines are Lovelock, South Tahoe, and Manogue in that order.

The next two contests are conference and end the Wolverines conference schedule. Tomorrow night the Mountaineer's travel to Lovelock to play the Lovelock Mustangs under the lights. Game time is 7:30 p.m.

J.V.'s Lose

In the prelim the Quincy JV toppled the Truckee JV, 15-7 for their first loss of the season. Coach Farley's Cubs hadn't been beaten or scored on coming into the game. It left them with a 3-1 record and playing the Reno JV tomorrow night on the University of Nevada field as a preliminary to the Huskie-Chico State game. Kickoff for the prelim is 6 p.m.

PATRONIZE LOCAL STORES

LAST STEAM TRAIN

Continued from Page 1

the park since 1939.

Diesel locomotives, successors to these three, will keep in the background for this one day.

Dedication of 4294, on its permanent site, was scheduled for 3:15 p.m. Sunday, after the special last steam train pulled into Sacramento on its return from Reno, so its passengers—mostly railroad 'buffs' could take part.

Formalities of the wake were brief. Mayor Clarence Azevedo of Sacramento, SP Mechanical Department General Superintendent Stanlay Houston, and Fred Stindt, chairman of the Pacific Coast Chapter of the Railway Locomotive and Historical Society, delivered short eulogies and the Southern Pacific band from San Francisco played "Auld Lang Syne."

When 4460 pulled into Oakland with the special at 6 p.m. Sunday, and its boiler cooled off, steam moved off SP's lines—except for a rare appearance of an engine on movie location or for a historic pageant.

ADDITIONAL ITEMS WILL MAKE SQUAW MOST MODERN UNIT

Plans for extensive additional facilities designed to make the Olympic Village for the 1960 Winter Games at Squaw Valley the most comprehensive and complete in the event's history were revealed today by William H. Carr, California Packing Company executive and recently appointed chairman of the Olympic Village committee.

At the same time Carr anounced the appointment of California resort and hotel executive, Robert Minerich, as managing director for the Olympic Village and public facilities.

Principal item in the expanded Olympic Village complex is the addition of a colorful recreation hall where the more than 1200 athletes and officials will spend their leisure hours.

Carr is planning a nightly schedule of entertainment, including performers from the ranks of the competitors as well as headliners from the nation's motion picture, stage and television worlds.

Other additions include: (1) the traditional Sauna—a Finnish steam bath considered an essential by many winter sportsmen, particularly the Scandinavians; (2) a hut designed exclusively for the care of skis, skates and other equipment; (3) a post office; (4) an international bank; (5) beauty, barber, tailor and boot shops; (6) a soda fountain and (7) a drug store.

These facilities are in addition to the four 300-person dormitories, the 600-seat dining hall and the reception center already completed or under construction at the Olympic site.

The 45-year-old Minerich, now general manager of Richardson Springs Resort at Chico, will join Carr in co-ordinating a far-reaching program involving the housing and feeding of athletes and officials, care of the estimated 300,000 spectators, housing of the International Olympic committee officials, and operation of various concessions—including the two giant Spectator Centers which will contain public restaurant facilities.

EIGHT BABIES ARE BORN AT HOSPITAL

The Tahoe Forest Hospital staff has recently been busy welcoming new citizens to the area including the son of Mr. and Mrs. Luigi Parisi of Squaw Valley, Cai Gino, who was born on October 20 with an arrival weight of 8 pounds, 6 ounces.

Mr. and Mrs. Frank Borden of Truckee became the parents of Sandra Jean on October 18. Her weight was 6 pounds, 10 ounces at birth.

Mr. and Mrs. Hugh Jones of Tahoma greeted their daughter, Karen Lee, October 17. The bouncing baby weighed a plump 9 pounds, 4 ounces upon arrival.

Mr. and Mrs. Harold Barnum of Kings Beach also became parents, October 5. They chose the names of Tina Corinne for their little girl.

Mr. and Mrs. Richard Read of Soda Springs welcomed their daughter, Carla Rae on October 3. Her birth weight was recorded as 6 pounds, 13 ounces.

Mr. and Mrs. Harold Green of Verdi, Nev., became parents, September 16 of an 8 pounds 4½ ounces daughter, named Cynthia.

Dennis Wesley are the given names selected by his parents, Mr. and Mrs. Michael Vieu for the little boy who arrived at Tahoe Forest Hospital on his mother's natal date, October 19. Mr. and Mrs. J. E. Lloyd, Jr., are the proud maternal grandparents.

Mr. and Mrs. Harold Welch of Truckee welcomed their second son at Tahoe Forest Hospital, October 21.

The lad's names were not yet chosen by his parents but his first weight was noted at 7 pounds, 4½ ounces.

BATES YOUNG, S. P. OFFICIAL RETIRES AFTER LONG SERVICE

L. Bates Young, who helped build one of the nation's largest trucking companies while working for a railroad, retired September 30 from his post as assistant to the president of Southern Pacific Company. He is 65. As president of the Flycasting Club here, Young is well known in this community where he often visits.

A native of Texas, Young joined Southern Pacific communication department at San Francisco in 1908. Later he was with the company's east bay electric lines, handled labor relations in the general manager's office in San Francisco, served in transportation research and spent several years with Pacific Electric in Los Angeles.

In 1928, Southern Pacific began its trucking operations, and Young took an active part. Five years later he became vice president and general manager of SP's trucking subsidiary, Pacific Motor Trucking Co. In 1951 he assumed his position as assistant to the president of Southern Pacific, and at the same time was named president of PMT, a post he held until he reliquished the reins a few months ago, preparatory to his retirement.

During Young's career with PMT, the company grew into one of the west's great trucking operations, serving six western states. In addition to its regular trucking operations, it handles SP's pick up and delivery, and participates in its piggyback service.

Young was also president of the Southern Pacific Land Company and, as assistant to the president, he had supervision at various times over the railroad's real estate, dining car and mail and express traffic departments.

Improving—

Friends of Mrs. William Englehart, Jr., are pleased to learn that she is recuperating from a recent illness.

ANTI-LITTER BOOK IS DISTRIBUTED BY CO.

Distribution of a 32-page anti-litter booklet to all elementary and secondary schools in the west has been started by Standard Oil Company of California, Western Operations, Inc. The publication is being offered as a permanent teaching aid to help teachers and students promote anti-litter activities at all grade levels.

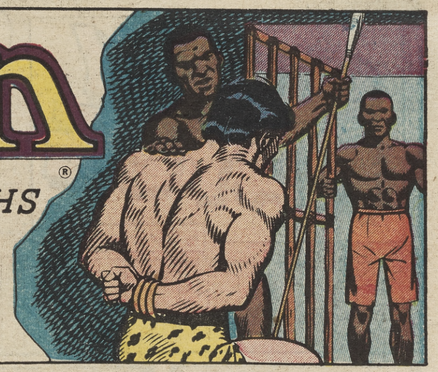
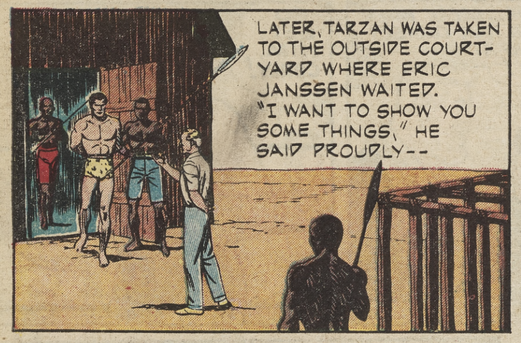
Tarzan®

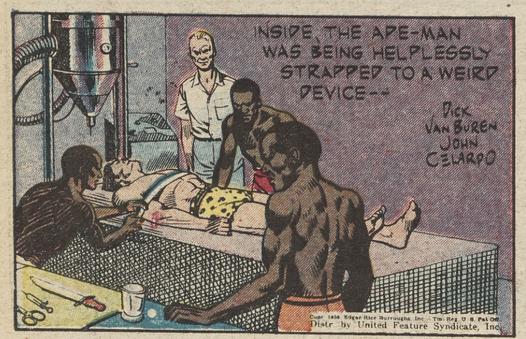
by EDGAR RICE BURROUGHS



AT SUNRISE, SEVERAL EXCITED GUARDS ROUSED THE APPREHENSIVE APE-MAN.



"BUT HOW?" GASPED TARZAN. THE SCIENTIST CHUCKLED. "A SECRET FORMULA BY WHICH I INCREASE THE AMOUNT OF CHROMOSOMES IN THEIR BODIES--"
10-26-1442



INSIDE, THE APE-MAN WAS BEING HELPLESSLY STRAPPED TO A WEIRD DEVICE--

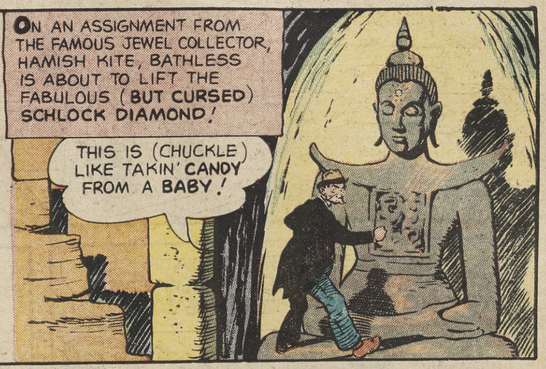
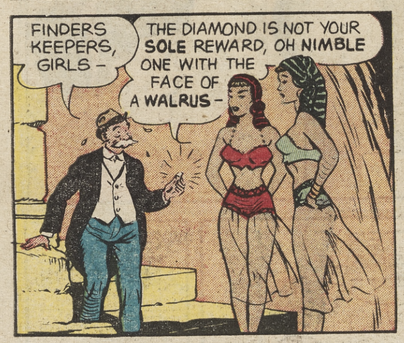
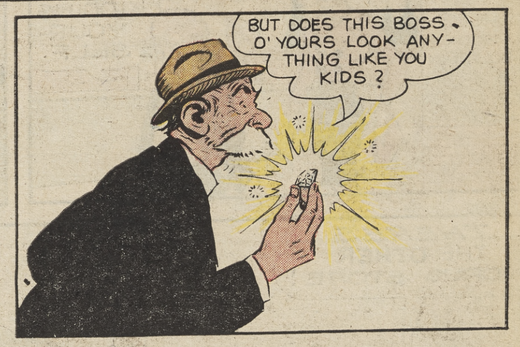
Featuring BATHLESS GROGGINS

by RAEBURN VAN BUREN



ON AN ASSIGNMENT FROM THE FAMOUS JEWEL COLLECTOR, HAMISH KITE, BATHLESS IS ABOUT TO LIFT THE FABULOUS (BUT CURSED) SCHLOCK DIAMOND!
THIS IS (CHUCKLE) LIKE TAKIN' CANDY FROM A BABY!





SHE IS THE GREATEST OF US ALL!
THE MOST OF THE MOST!

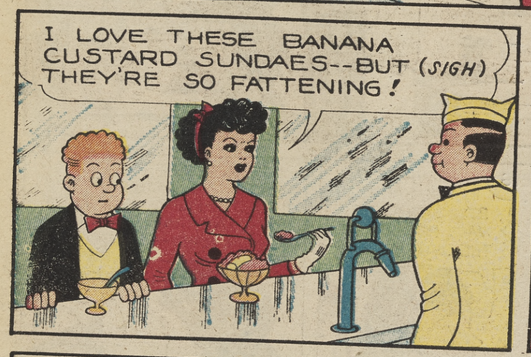
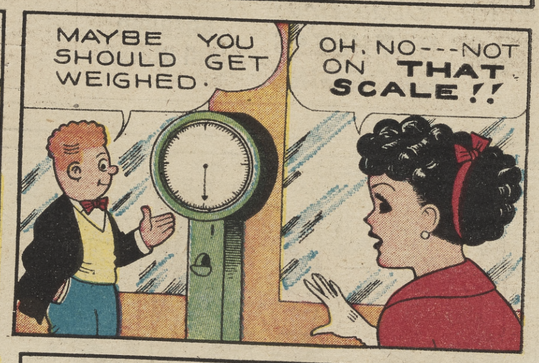
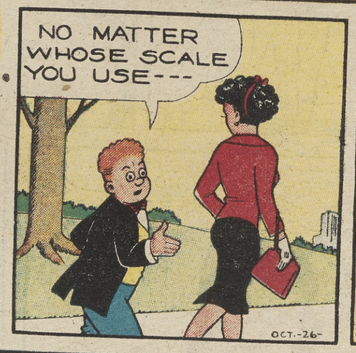
Fritzi Ritz

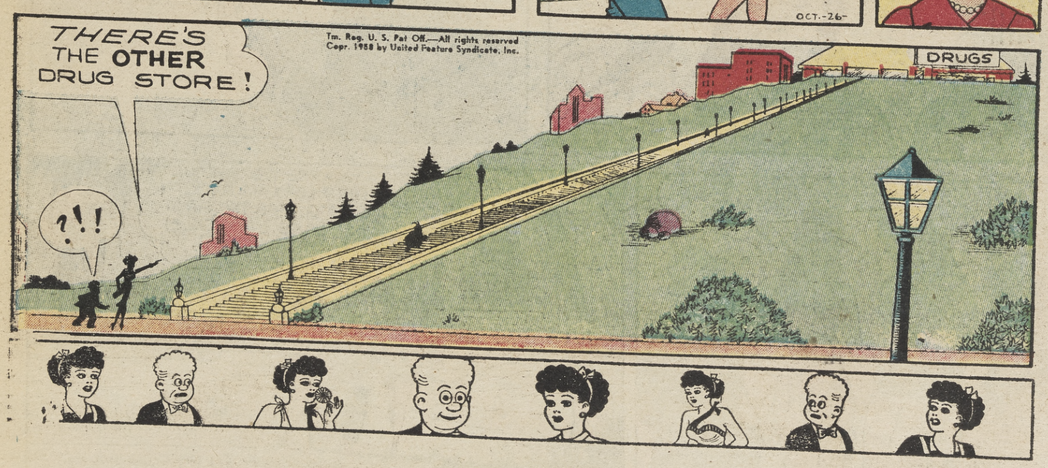
By ERNIE BUSHMILLER ®





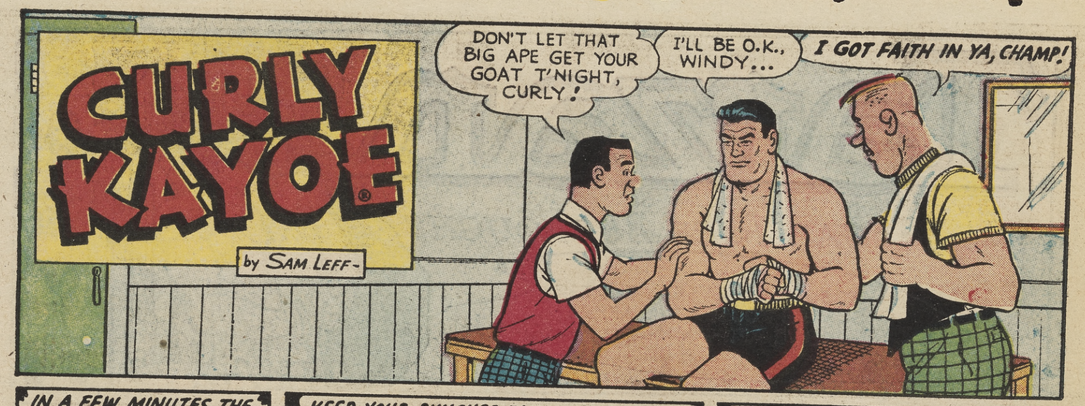
WHEN I EAT AT THIS DRUG STORE, I ALWAYS GET WEIGHED AT THE OTHER DRUG STORE.
DRUGS SODA FOUNTAIN
FRITZI, YOU'RE KIDDING YOURSELF.



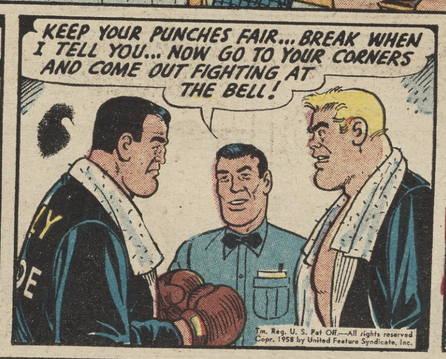


CURLY KAYOE ®

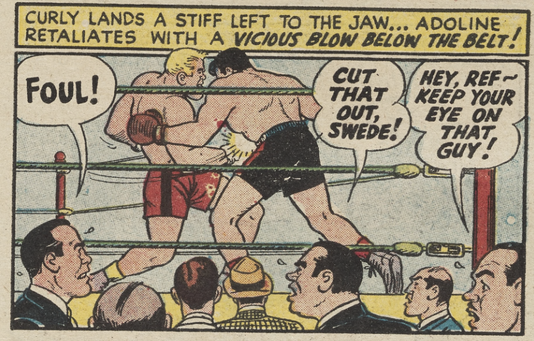
by SAM LEFF



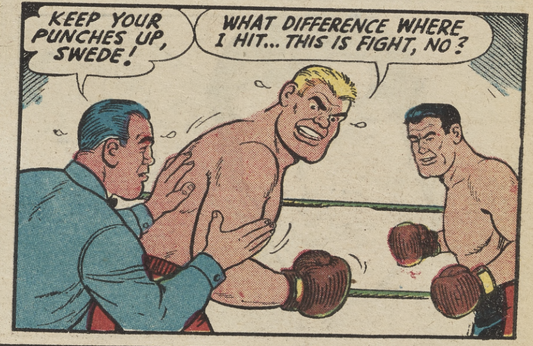
IN A FEW MINUTES THE EAGERLY AWAITED BATTLE FOR THE HEAVYWEIGHT TITLE WILL BEGIN... AT RINGTIME, THE ODDS STILL FAVOR SWEDE ADOLINE OVER CURLY KAYOE!

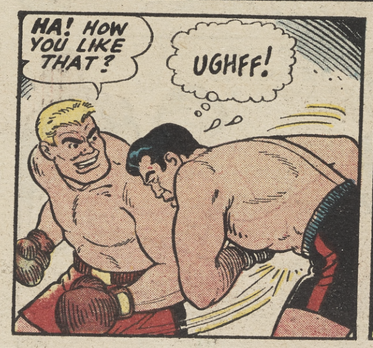


KEEP YOUR PUNCHES FAIR... BREAK WHEN I TELL YOU... NOW GO TO YOUR CORNERS AND COME OUT FIGHTING AT THE BELL!
Tm. Reg. U. S. Pat Off.—All rights reserved Copr. 1958 by United Feature Syndicate, Inc.



CURLY LANDS A STIFF LEFT TO THE JAW... ADOLINE RETALIATES WITH A VICIOUS BLOW BELOW THE BELT!
FOUL!
CUT THAT OUT, SWEDE!
HEY, REF~ KEEP YOUR EYE ON THAT GUY!





DON'T WORRY, WINDY... EV'RY TIME SWEDE FOULS CURLY HE LOSES A POINT!
Y-YEAH, GOOF~ BUT IF SWEDE LOSES ENOUGH POINTS... CURLY WILL LOSE TH' FIGHT!
10-26

STRANGE as it seems

ELSIE HIX ®

THE NILE RIVER FLOWS 1,300 MILES *WITHOUT A TRIBUTARY*-- ITS WATERS IRRIGATE MORE THAN 5 MILLION ACRES!

THE PARLOR TUMBLER PIGEON WILL TURN 15 OR 20 BACK SOMERSAULTS IN QUICK SUCCESSION... IT NEVER FLIES ALTHOUGH IT HAS PERFECTLY GOOD WINGS...

THE YEAR OF THE PURPLE CURSE--

FIVE WEARERS OF THE IMPERIAL PURPLE, EMPERORS OF ROME, MET *VIOLENT DEATHS* IN A *SINGLE YEAR*! -238 A.D.-

GORDIANUS I WAS KILLED IN BATTLE, GORDIANUS II COMMITTED SUICIDE, AND PUPIENUS MAXIMUS, CAELUS BALBINUS AND GAIUS VERUS MAXIMINUS WERE *MURDERED*!

10-26

CHIEF RED JACKET, WHO GOT HIS NICKNAME FROM A SCARLET JACKET GIVEN TO HIM BY A BRITISH OFFICER, FOUGHT WITH THE BRITISH AGAINST THE AMERICANS DURING THE REVOLUTION AND WITH THE AMERICANS AGAINST THE BRITISH IN THE WAR OF 1812!

A 485-POUND BEAR, CAUGHT IN A 50-POUND STEEL TRAP ATTACHED TO AN 8-FOOT LOG, PICKED UP THE LOG AND *CARRIED IT*-- EACH TIME HE CAME TO A HILL HE WOULD LIE DOWN AND ROLL TO CONSERVE HIS STRENGTH!

-*Reported by New Hampshire Fish & Game Dept.*-

SIR WILLIAM COLLINGBORNE WAS *EXECUTED* BECAUSE HE WROTE A *PUN*-- "THE RAT, THE CAT, AND LOVEL THE DOG, RULE ALL ENGLAND UNDER THE HOG." THE RAT WAS RATCLIFF, THE CAT WAS CATESBY, THE DOG WAS LOVEL, AND THE HOG REFERRED TO KING RICHARD III WHOSE ESCUTCHEON PICTURED A WHITE BOAR!

EVANDER BARRY WALL-- EARLY 1900 PATRON OF THE GRAND UNION HOTEL, *Saratoga Springs, N.Y.*, MADE 40 COMPLETE CHANGES IN HIS ATTIRE IN A *SINGLE DAY*!

WHEN ARE WE GOING HOME, SALLY?

AS SOON AS I FINISH THESE ERRANDS...

I TOLD YOU TWINS NOT TO COME ALONG BECAUSE I KNEW YOU'D GET IMPATIENT!

WHERE ARE WE GOING *NOW*?

TO THE LIBRARY...I HAVE TO RETURN THESE BOOKS FOR MOM AND GET SOME OTHERS...

CAN WE GO IN WITH YOU?

YES...BUT PLEASE BE VERY QUIET...

LIBRARY

NOW REMEMBER--DON'T TALK IN HERE. PEOPLE DON'T LIKE TO BE DISTURBED WHEN THEY'RE READING.

MY MOTHER WOULD LIKE A COUPLE OF THE LATEST NOVELS...

DOES SHE WANT SOMETHING LIGHT OR HEAVY?

RETURN DESK

I REALLY DON'T KNOW ...I FORGOT TO ASK HER.

SO PICK ONE OUT AN' LET'S GO!

WHAT'S THE DIFFERENCE IF IT'S *LIGHT OR HEAVY*? *WE'VE GOT TH' CAR!!!*
